

Seductive Glance

Geoff Bradford

Seductive glance, what do you have in store for me?
A carnival ride, a pleasure cruise, a rocket to the moon
Seductive glance, it happened inadvertently
A walk in the park, our paths would cross, and we would say hello
I started looking forward to those chance meetings with you
And kind of hoping that you feel the same way too
Seductive glance, it starts as a mystery
When I look in your eyes, what do I think I see
Can I get some clarity
Will you have a coffee with me?
Seductive glance
